

CAN A NATION BE SAVED IN A DAY?

One day can change the hearts of a nation.
South Africa's day is 30 September 2015.

South Africa faces a momentous decision. Held captive by corruption, our dreams are being strangled. Many have lost hope.

Will you have the courage to speak publicly for what is right?

Church leaders have called on all Christians to take the responsibility to end corruption!

The Church, as 80% of the country, is part of the problem. Marching together against corruption is an act of repentance and prayer for the nation.

**JOIN THE MARCH AGAINST CORRUPTION ON
30 SEPTEMBER 2015 IN PRETORIA OR CAPE TOWN**

In one day God can give our repentant hearts the hope to dream and build a just nation. One day will be remembered for generations to come.

Share hope with your neighbours by joining South Africans of all cultures and sectors as we unite against corruption.
