INVITATION TO BECOME A FUNDRAISER

Welfare organisations are under tremendous pressure to raise funds in order to continue with the services they provide. You are hereby invited to be part of the solution.

Any individual or organization can contribute by signing a debit order form whilst simultaneously inspiring others to get involved with raising funds. Any registered NGO/ NPO can be nominated as a beneficiary. Eighty percent of the contribution will be paid out to the relevant charitable organization.

For every signed debit order recruited by you, you will get a cash back bonus. There are three options:

Bronze Bonus: Fundraisers will receive a bronze bonus when they recruit someone to sign a debit order in favor of an NGO/ NPO. Three percent of that debit order will serve as a bronze cash back that will be netted off from the fundraisers current debit order. There is no limit on the number in people who can be recruited in this way.

Silver Bonus: Fundraisers will receive a silver bonus when the person they've recruited, recruits another. Five percent of this debit order will be paid out as a silver cash back bonus to the original recruiter. There is no limit on the number of people who can be recruited in this way.

Gold Bonus: The golden bonus is the pinnacle of the three bonuses. You receive this when the person recruited by the fundraiser starts receiving silver bonuses. The original fundraiser's cash back bonus will be seven percent of each debit order that the Silver fundraiser has recruited. His/her cash back bonuses will however persist to be three percent (Bronze Bonus) and five percent (Silver Bonus) for persons recruited in the way described in the previous paragraphs. There is no limit on the amount of people who can be recruited in this way. (See Terms and Conditions)

The fundraiser will receive an annual IT3 certificate for income tax purposes.
